Jack Richardson Announces For State Representative

Jack Richardson, who will be a candidate for state representative from the 15th District of Texas, is seeking the job which Briscoe Jr. is declining. Richardson, Uvalde and Niemeyer of Knippa.

Richardson's statement follows: "I am a member of the 79th District and I believe I can carry on the good work of the people of the 79th District. I believe I can carry on the good work of the people of the 79th District. I believe I can carry on the good work of the people of the 79th District."

Kilgore Bill Would Aid Hondo School

Joe M. Kilgore, member of the House of Representatives from the 15th District of Texas, has introduced a bill to include Hondo with schools receiving federal money due to the location here of the Air Base.

Kilgore has written us, "My bill, to amend an act relating to the construction and operation of schools affected by Federal activities has been approved by a subcommittee of the House Education and Labor Committee as an amendment to a pending bill. The bill affects only the Hondo Independent School District in our area and puts it in the same category as other schools near Federal installations."

"The problem at Hondo has been that the actual title to the land on which the Air Base is located is in the city—not the Air Force—so under a technical interpretation the base is not a Federal installation. I hope we can get the bill passed now and cure this problem."

Quihi Gun Club Schedules Annual Picnic

The annual basket picnic and grand prize shooting of the Quihi Gun Club is scheduled for Sunday, May 20 on the club grounds. Shooting, which is for members only, begins at 8 a.m. but the grounds are open to anyone who desires to come. Barbecued meat at 75 cents per pound, pickles, bread and other refreshments will be sold on the grounds.

Castroville and Quihi will bat it out at baseball on the Quihi diamond in the afternoon, and the day will wind up with a dance at the hall that night.

Natalia Votes \$100,000 Bond Issue

NATALIA — Voters of Natalia Independent School District voted almost 2 to 1 for the \$100,000 bond issue Saturday, May 12. The vote was 201 for the issue and 105 against.

Proceeds from the sale of these bonds will be used to add four new rooms to the present new elementary school building and remodel the old two-story high school building into a modern one story structure with new rest rooms added, and repair of the gymnasium.

Schiffers Heads Campaign

Al Schiffers was named 1956 campaign chairman for Hondo Salvation Service Unit at a meeting of the local unit board this week, according to Jack Fusselman, Chairman.

"We want the fullest possible financial support of the work of The Salvation Army here," Fusselman said, "and in return your Service Unit Committee assures you that your charity dollars will be carefully spent in providing emergency assistance when and where it is needed in Hondo, Castroville and D'Hanis. Devine will in all probability conduct a separate drive."

In addition to the local program, The Salvation Army carries on an extensive state-wide program. Through its 36 uniformed Corps in principal Texas cities and 137 Service Units like the ones in Medina County it carries on a program-in-aid for many thousands of needy.

Al Schiffers said, "I am delighted to be able to work with our local unit for The Salvation Army. Each of us receives great satisfaction from doing a worthy deed, or 'going to bat' for a friend when he needs help."

Members of the Hondo Unit permanent committee besides Chairman Fusselman are J. H. Rugeley, W. T. Crow, C. F. Schweers, O. A. Fly, George M. Dawson, O. L. Moss, Treasurer, Bob Kollman, W. F. Guadian, C. J. Hitzfelder, all of Hondo; Mrs. Charlotte Lafferty, Joe Hoog, and J. P. Lafferty of Castroville; and J. P. Enbriam and Mrs. Ann Finster of D'Hanis.

Kick-off coffee will be held Monday, May 21, at 9:30 a.m. Workers will be notified by Al Schiffers, who will have charge of the meeting.

This Page Headed For Vault

Ed Ray, Executive Editor of the Express Publishing Company, has asked that we send him a copy of our page one this week to be sealed in the vault of their new radio and TV building, now under construction behind the Express building in San Antonio.

He wants a message to the people of 1981, and thinks that it will be interesting at that time.

Twenty five years isn't long, but many things can happen.

We won't indulge in predictions about things to come, because we still don't understand half the things that are already here. Twenty five years ago few persons would have believed predictions about television and jet airplanes, although they were being discussed in the science magazines of that time, and most of the principles had already been established.

Be sure to let us know when you open the vault, Ed. We hope to be there.

Feed Program Is Extended In County

The emergency feed grain program has been extended in Medina County. This message was received by Harold Baker of the local A. S. C. office Monday.

The text of Baker's telegram, which came from G. C. Carothers of the Texas State Administration office, was: "Wire just received from Washington office advising that emergency feed grain program extended in your county. Applications may be filed with F. H. A. through June 8 for supply of feed grain for eligible livestock through June 30, 1956."

LaCoste Lions Elect Officers

LACOSTE — John C. Biediger, Jr. was elected president of the LaCoste Lions Club at their meeting on May 8 in VFW hall.

Other incoming officers include: Alex E. Jungman Sr., 1st Vice President; E. J. Keller Sr., 2nd Vice President; W. F. Biediger, 3rd Vice President; A. C. Atkins, Secretary; A. D. Blue, Lion Tamer; C. A. Stein, Tail Twister; and R. J. Manold, D. R. Duron and C. A. Stein, Directors.

Installation of officers will take place in next regular meeting June 12, which also will be Ladies' night.

Father Carolan Leaves Hondo

After serving St. John's parish as assistant priest for eight months, Father Charles Carolan will begin new duties at St. Mary Magdalen's in San Antonio. During his short stay here he was spiritual adviser to several discussion clubs and the Sodality. He also instructed the children and trained many little Altar boys.

At the close of forty-hour's devotion on Thursday evening, St. John's parishoners gave Father Carolan a farewell party in the hall and presented him with a gift. He expressed his deep feeling of acceptance in Hondo, A native of Ireland, this was his first assignment in America.

NEW SUPERINTENDENT FOR NATALIA SCHOOLS

Cecil Willis has been elected as superintendent of the Natalia Schools. From San Antonio, Willis has a B. S. and Master's degree from Trinity University. He has had twelve years of teaching experience.

He was high school principal and coach at LaCoste in 1954-55, and was Huntsville athletic director and head coach in 1955-56. He was also on the coaching staff at Trinity University for four years, 1947-50.

Mr. Willis is married and has two daughters, one 16, and the other 18. He will take over duties in July.

Wherry and Green have completed the No. 1 State of Texas in the TAYLOR-INA field 8 miles S.E. of Hondo on the Florence G. Deven Survey for 15.21 bbls. a day of gravity 26.6 oil.

Seven new locations announced last week are:

W. L. Bates No. 4, A. G. Holloway in the TAYLOR-INA field. This will be a 900-foot test effort 11 miles N.W. Devine on the T. Mercier Survey.

In the CHACON LAKE field, Harry W. Helwing has staked a 1000-foot test well 2 1/2 miles S.E. Noonan in the Wm. Hawkins Survey No. 65. This will be known as the No. 1 W.M.P. Rote II. Helwing has also located the No. 2 Rote.

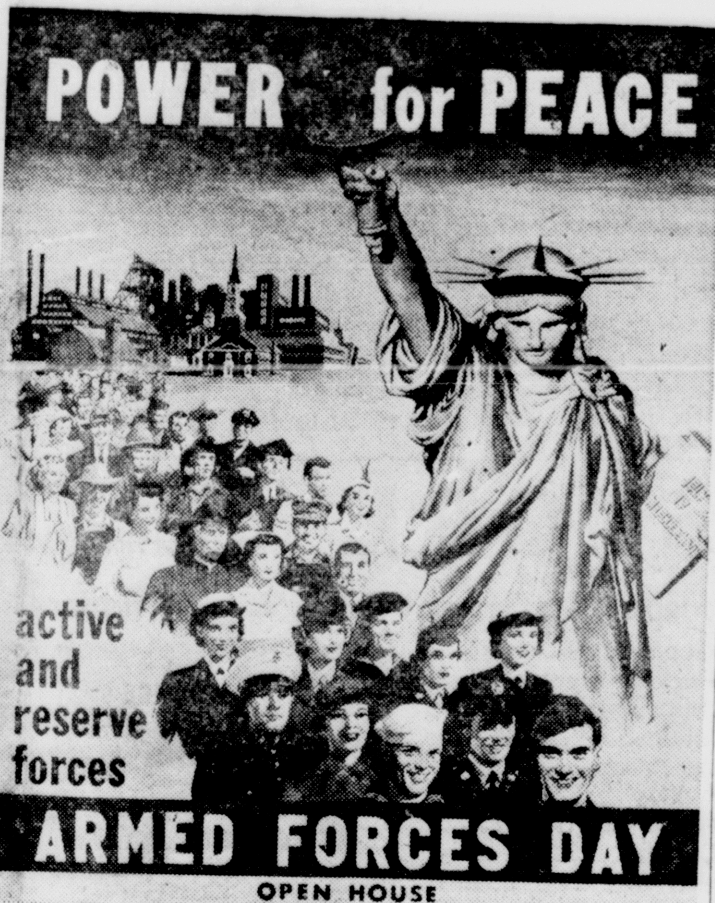

Melvin L. Rossman has staked the No. 2 J. N. Wilson in the TAYLOR-INA field. This 1000-foot test well is 10 miles S.E. Hondo. Rossman also plans drilling the No. 2 Edgar Steigler, a 500-foot test effort, 4 miles S. W. Hondo.

The No. L-1 J. W. King has been staked by Winthrop Corbin as a 317-foot test well in the CHACON LAKE field 5 miles N. Natalia. This well is to be used as a probable injection and will not produce oil.

W. C. Silvers will locate a 2500-foot wildcat on the J. N. Wilson land. This Edwards formation wildcat is 3 to 4 miles from the Uvalde County line in Medina County and about a mile north of Frio County. The test effort is slated to start by June 1.

This is the same area that had a cable-tool boom in the early 1920's. Oil legend has it that an Austin Chalk wildcat near the new location flowed 1,500 bbls. daily for three months in 1919.

Verne Jobst Saves Boy From Drowning

A fishing trip planned by Rudy Rath and his son-in-law, Verne Jobst, last week turned into a life-saving adventure.

The pair went to Devils River Tuesday night. It was too windy to fish next morning but Jobst decided to try for a while from the bank while Rath and the resort owner drove into town for supplies.

When they returned about 3:30 p.m., Rath thought he heard a call for help but could see no one in distress and noticed that people on shore were not alarmed so he thought he was mistaken. Meantime he saw a highway patrolman and a druggist from Sonora paddling their boat, on which the motor had stopped, and towing another boat which they found drifting.

It seems that Jim Willis, 18 of Leagraves, and a friend had given up fishing and were having fun living through an inner tube which they would throw out of the boat. Jim missed the tube and it began drifting rapidly away as he followed it. His friend became anxious, dived in to help Jim and the boat drifted away.

Jobst and the resort owner got into a boat and reached the boys just ahead of the druggist and patrolman. Jobst held to the side of the boat and grabbed Jim by the hair and the resort owner

helped pull him into their boat. Jobst told the other boy to hold on to the side of the boat while they headed for shore, but they soon had to stop and pull him in as the water was too rough for him to hang on.

From the shore, Rath noticed what was going on and had a pallet and blanket ready for the unconscious boy. He, Jobst and the patrolman applied artificial respiration for a full 1 1/2 hours before the boy's breathing became relatively normal. A dogtor who arrived with the ambulance, commended them on their good work and Jim, still unconscious, was taken to a hospital. They have not heard how the boy fared.

RURAL MAIL BOX IMPROVEMENT WEEK

The Post Office Department has designated Rural Mail Box Improvement Week as May 21-26 because boxes improperly erected or in unserviceable condition retard delivery of mail and expose it to the weather.

Names of box owners should be inscribed on the side visible to the carrier, and boxes and supports should be kept painted, according to the post office department. Patrons are urged to use group boxes where possible.

★ Dr. Derankou In Search Of Family

Ever since the end of World War II, Dr. M. S. Derankou has wondered about his family in France.

He has not heard from his daughter, nor his mother-in-law, sister-in-law, her two children, nor his brother-in-law since 1941, and the Red Cross informed him shortly after that time that all had been killed near Paris when that city was being continuously bombed. They told him that his relatives had left the city for shelter but were returning to their homes when another attack occurred which ended their lives.

But Dr. Derankou, all these years, has wondered and so he is leaving May 26 for France to try and find out the facts for himself. He says he will never be content until he does this.

Derankou, an optometrist in Hondo, plans to return in the fall to his home in San Antonio.

Classified Ads Help Solve Problems

Did you know that classified ads in newspapers have a long and unusual history? People manage to get a lot of things done with their help. Here are a few.

A classified ad led Harlow Curtice ultimately to his present position as president of General Motors.

A classified ad got Richard Nixon into politics.

A newspaper want ad brought Richard W. Sears and A. C. Roebuck together.

And there was a sad side, too. The heartbreak story was the case of a Boston wife. She got an uncontested divorce on grounds of cruelty, when she told the judge her husband hit her with the newspaper when he caught her checking the Classified section in search of a job—for him.

County Boys Register With Draft Board 48

Recent registrants with Texas Local Board No. 48, Selective Service System from Medina County include ten boys.

They are: Pablo C. Martinez, Hondo; Thomas D. Leatherwood, Devine; Librado F. Buentello, Jr., Devine; Joe F. Smith, Devine; Ruben G. Alvarado, Hondo; Douglas C. Fose, Devine; Felix Flores, Hondo; Phillip D. Hickman, Hondo; George F. Hamilton, Devine; and Federico T. Moreno, Natalia.

The Armed Forces will be host to the American people on Armed Forces Day, May 19, and Hondo Air Base will hold Open House from 9 a.m. to noon.

The public is cordially invited to inspect their Power for Peace exhibits in Hanger II and the T-33 jet aircraft at 9:34 a.m., 4 F-51's at 9:42, and 3 B-29 bombers at 10:18.

In the afternoon there will be a flyover of 16 T-33 jets at 3:15. Flyovers in the afternoon will be over Hondo. The National Guard and Civil Air Patrol will display exhibits in Hanger II and the Fire Department and Hospital will also be represented.

In front of the Hangar a T-33 jet, B-29 bomber, the first atomic bomb carrier, a T-29 navigational trainer, F-86 jet fighter interceptor, a prototype of the Mig killer, a T-34, T-28 and T-6 training plane, a C-45 light transport and 2 helicopters will be on display for public inspection.

A parade is scheduled for 9:45 a.m. during which a Purple Heart and Air Medal will be presented to personnel of the base.

At 10:30 a.m. the Hondo High School Band will honor the public with a concert.

The Anvil Herald was notified Thursday morning that a jet aircraft flying over the west edge of Hondo Air Base will attempt to break the sound barrier at approximately 10:15 a.m. Saturday. Officials at the base ask that the public not become alarmed if this plan is carried out.

Various portions of the base will be open for public inspection and the cafeteria and Cadet Club will be open. A program of scheduled events will be presented to visitors at the Main Gate.

This Open House activity presents an excellent opportunity for the public to become better acquainted with the activities of their Armed Forces.

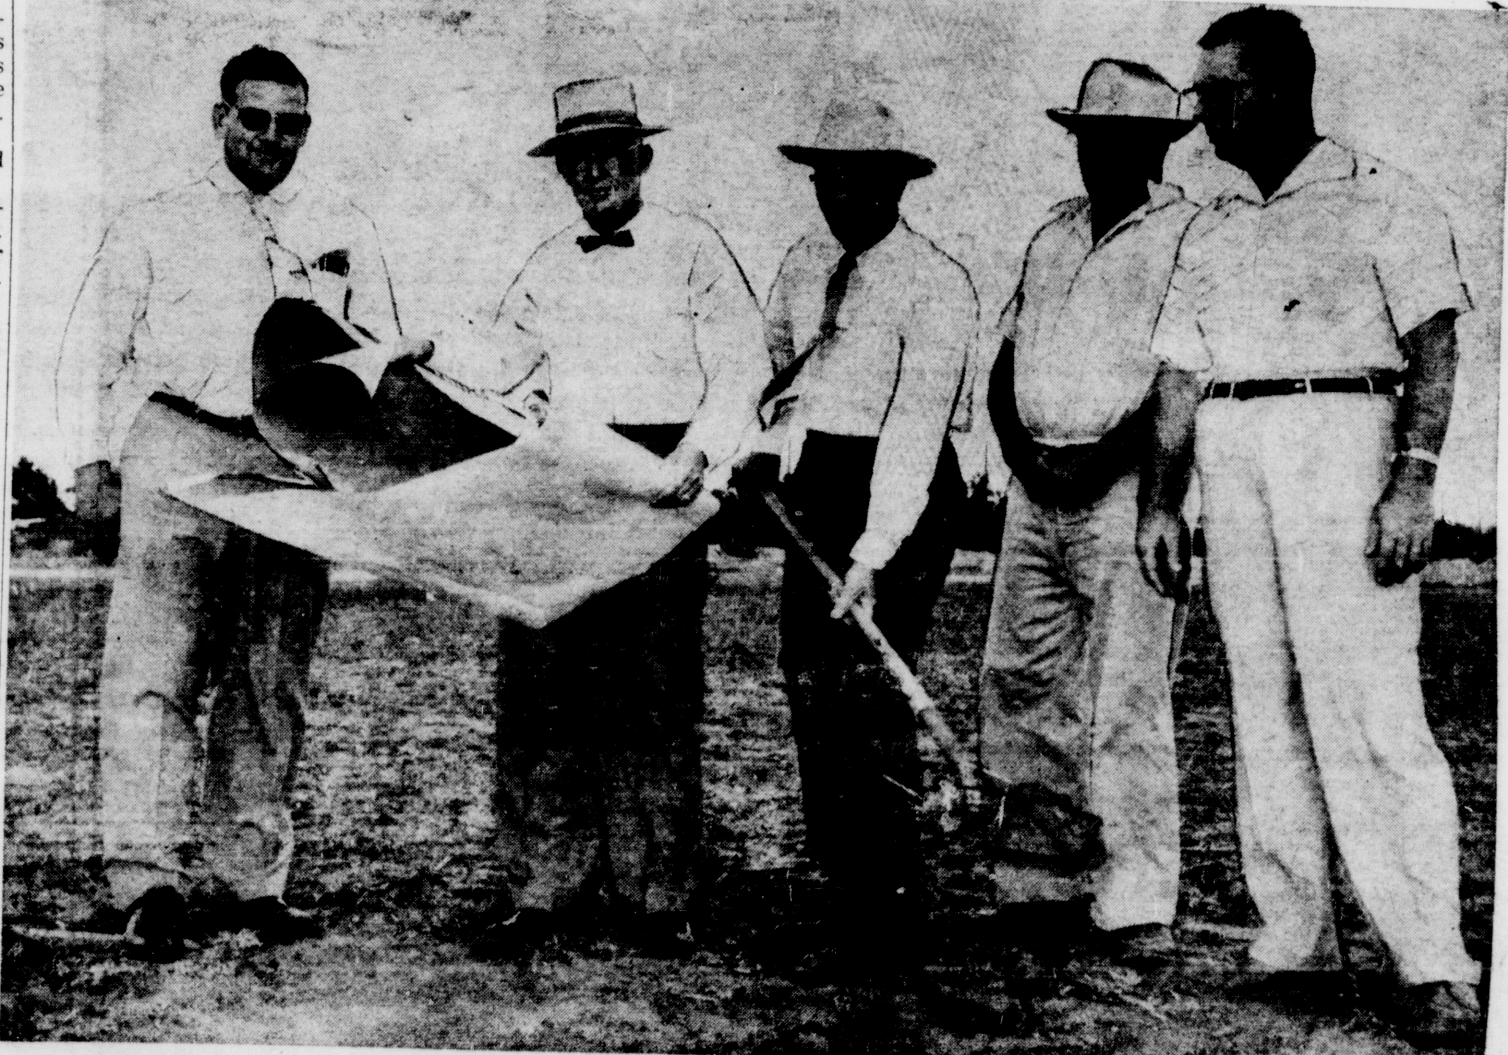

T. Sgt. Lee R. Rankin, the Air Force Representative in the Hondo community, will be at Hondo Air Base on Armed Forces Day, Saturday 19 May 1956, participating in the Air Base events highlighting Armed Forces Day.

Sergeant Rankin can be contacted through the Hangar at the Base by interested young men who want to discuss their five year active duty obligation under the Federal Reserve Forces Act of 1955 and the technical training and college training available to young men who decide to enlist in the U. S. Air Force.

QUIHI NEWS

By Mrs. Jack Sharp

Mrs. Minnie Whetstone of Uvalde spent the weekend in the home of M&M Jimmy Gray. Her main purpose in coming this weekend was to attend the Band Concert in which her grandchildren, Frances Nell and Randy Gray, had a part.

Our entire community was hurt over the accidental death of Mrs. Oscar Haby. She grew up in the Verdina community as Alma Saathoff. My first impression of her was a lasting one. When I visited her mother, Mrs. Willie Saathoff, who was an arthritis victim, I was impressed by the gentleness and kindness of Alma to that mother. I am sure that I am voicing the community when I say, "We are truly sorry."

Penny Strickland spent Friday evening with Patricia Ann Saathoff.

M&M Larry Coyle of SA spent Mothers Day with M&M Herman Gerdes.

Sunday evening visitors of Mrs. Bertha Thomas were M&M Alfred Saathoff and daughters Willie Jean, Dolly, and Trisia, M&M Herman Gerdes and son, Archie Ray, and M&M Larry Coyle.

M&M Jack Sharp were Sunday visitors in Runge. They were met there by M&M John Custer and Mrs. Annie Skipworth of Kingsville, O. C. Sharp of Waco, and T. J. Terrell of Alice.

Mrs. C. R. Nicholson of Victoria was a brief visitor in the home of M&M Jimmy Gray on Thursday. She was on her way to Uvalde to attend the Uvalde Centennial.

Sunday supper guests of M&M Alex Tschirhart and son, Alex Jr., were Miss Marian Ehlinger, M&M Hilmer Bendele and children, and M&M Edson Oefinger and children.

Glenn and Karen Muennink were over-night visitors in the home of M&M Wilkes Wiemers on Monday.

M&M Arnold Nietenhoefer were Friday evening visitors in the home of M&M A. W. Mooney.

World's most popular POWER STEERING?

Buick ROADMASTER 6-Passenger 4-Door Riviera

Right this way!

EVERY YEAR, more and more of the new cars sold are equipped with Power Steering. Many a man has bought it "for the wife"—then wondered how he ever got along without it.

And if you have in mind a new car with this increasingly popular feature, you ought to consider this fact:

Since the beginning of last year, Buick has sold far more new cars equipped with Power Steering* than any other car—over 20,000 more in 1955 alone.

That's the record—and the reasons for it are just as impressive.

Buick brings you In-Line Safety Power Steering. In addition to the one-finger ease of turning common to all such systems in varying degree, it has several distinct advantages.

It gives you surer, steadier, safer control at

highway speeds—because it retains that good natural "feel" of the road. (That's something you really should compare.)

On the other hand, it gives you more power assist when you need it most—at crawl speeds and at full stop. For parking and other tight maneuvering, Buick's Power Steering makes wheel turning nearly twice as easy as other types of systems. (And that's by engineering computation.)

Add another plus: this Buick feature works through the new Buick front end—where a unique new geometry and steering linkage bring a sweet new response and a wonderfully easy handling and a surer "sense of direction" even to new Buicks not equipped with the power system.

So there you are—and here we are, waiting to prove it all to you.

Waiting, also, to let you try the new thrills to

be had in Buick's advanced new Variable Pitch Dynaflo—where getaway response and gas mileage both step up even before you switch the pitch.

And waiting to show you how the highest power yet, the sweetest ride yet and the boldest styling yet—all help to make this bright new beauty the Best Buick Yet.

Today is fine with us. How about you?

*Buick's In-Line Safety Power Steering is standard on Roadmaster and Super, optional at moderate extra cost on other Series.

†New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

D'HANIS NOW AND THEN

By Josie Rothe Finger

As a spectator at the Uvalde County Centennial Circular Cavalcade on Friday evening, we were intrigued with the interesting events which unfolded before our eyes showing the history of our neighboring county. With the aid of devices of a modern age in effects of light and sound, the Toepferweins achieved with local talent and elaborate settings a result truly spectacular. The impact of such a pageant on the minds of young and old was certain to make a lasting impression.

We were impressed, of course, by the many scenes which relate to Medina County as well; the possible passing through this section of the travel-worn Cabeza de Vaca during the 1500's and of De Leon during the 1600's; the coming of Capt. William Ware, who founded Waresville, the present Utopia, (Ware spent a night of his journey at Fort Lincoln); the exploits of Captain Jack Hays and of Big Foot Wallace; the horror of Indian raids; the first railroad train coming through; and the numerous references to Castrovilla and especially to D'Hanis and Fort Lincoln.

All in all, it was on a panoramic scale a historical pageant similar to one presented at the Hondo Fair Grounds years ago when Mrs. C. M. Merritt and Lillian Brucks Hubert worked so indefatigably as chairmen of a production depicting the history of Medina County—the entire program given by the school children of the county.

In our opinion the suggestion repeatedly given by Mr. Fletcher Davis, who is doing perhaps more than any native toward making us aware of his heritage, to form an organization for this purpose, is most opportune.

While looking at the many antiques on display in Uvalde show windows, we were admiring a particularly beautiful blue glass toothpick holder when we discovered it had originally come from D'Hanis. Now owned by Mrs. N. A. Renken of Uvalde, it had belonged to her mother, Mrs. Wolff, whose maiden name was Turner.

Two D'Hanis teachers, who live in Utopia, were in the Circular Cavalcade depicting the settlement of Waresville. Inez Thornberry wore a dress 75 years old, and Fred Boyce was in a white one over 100 years old.

Roses In D'Hanis

Some of those beautiful red roses mentioned last week in the "Personal Appearance" column have found their way to D'Hanis, where some of the descendants of the Hondo blooms have been planted by Mrs. L. A. McDaniel, another teacher in our school. Profusions of her roses have graced the banquet tables and numerous other spots on many occasions. Incidentally, the huge flower bed donated by the Class of '55 has been a picture all this spring. The brilliant yellows and deep purples of pansies are now giving way to the harder verbenas—all under the green thumb of "Mrs. Mac."

Joan Rieber made a beautiful picture on that yellow and white flashy convertible in the parade at Uvalde Friday. Joan wore a white formal gown with long white gloves. We wonder how many people looked at the car.

We can just see Lion David Zinsmeyer trying to get a picture of our parade entry from exactly the right angle. David has hundreds of colored slides in his collection, some of them as beautiful as you'd want to see, and we can't wait to view his latest ones.

Mrs. Henry Rothe and Mrs. Henry Poerner had the pleasure of a visit with an old friend, the Rev. Bernard Hermann, O. M. I., on Friday at Uvalde. Father Hermann was invited to take part in the Centennial activities because he is the founder of St. Mary's Parish, having built the church there in 1907. While pastor at Uvalde he frequently visited at D'Hanis where he could converse in his native tongue, Alsatian. Although past 90, he continues to serve as a priest in the St. Louis Cathedral of New Orleans.

BUILDING PERMITS

Building permits issued through May 2 totaled \$16,564. They include Dr. Joe Mims, addition to residence. John Henry Muennink residence at 1405 26th.

Permits totaling \$270,300 were issued by city secretary O. L. Moss from May 2 until May 15.

They include: David Diaz, moving house; J. H. Walker, building home; Hondo Independent School, new building; Dr. Thos. B. Knopp dental clinic.

HD CLUB DOINGS

"Up to date finishes" was the agent's demonstration at the Yancey Home Demonstration club meeting Tuesday afternoon, May 8. Mrs. Strayhorn stressed the importance of well made darts, seams, etc. to make a garment that is comfortable as well as good looking.

The meeting was opened with the reading of the creed by Mrs. Jimmie Heiligman. She reported that Mrs. Jimmie Heiligman and Mrs. C. A. Muennink attended the naturalization ceremony in San Antonio.

The hostess, Mrs. Leroy Faser served cake, coffee and iced tea to four members and the agent, Mrs. Strayhorn.

JUNIOR CLASS FETES SENIORS AT BANQUET

D'HANIS — In a setting enclosed by a simulated stone wall entwined with climbing roses and illuminated with soft artificial moonlight, the Junior Class of D'Hanis High School honored the Seniors with the traditional formal banquet in the school auditorium Wednesday evening, May 9.

A white canopy of streamers from which blue balloons were suspended formed the ceiling and carried out the senior class colors. The stage was a garden scene, complete with foot-bridge, flowers, and benches. In the center of the hall stood a wishing well around which the banquet tables were arranged.

The guests, besides members of the Senior class, were their parents and teachers, and members of the school board and ladies. These were received under a rose trellis which arched the entrance.

The banquet tables were adorned with flowers, candles, and miniature wishing wells. The speaker's table was centered with an arrangement of the class flower, white gladiolus. The invocation was by the Rev. O. B. Kohlich, and the welcome was given by the Junior class president, Nemesio Ortiz, Gene Koch,

Senior president, responded and presented a gift from his class to their sponsor, Miss Carrie Langfeld. The Junior class chorus sang "Moonlight and Roses," "By the Light of the Silvery Moon," and "Moonlight Bay," with Nemesio Ortiz as soloist. The class history was given by Mike Finger, the class will by Ray Rieber, and the class prophecy by Joe Langfeld. Benediction, by the Rev. L. A. McDaniel, was followed by the class song of the seniors.

Miss Fred Boyce, Junior class sponsor, was toast mistress. The hosts were Othello Batto, Isabel Duncan, Ann Langfeld, Joe Langfeld, Joan Lutz, Cecilia Ontiveros, Frank Ortega, Nemesio Ortiz, Gene Perkins, Ramon Rodriguez, Paula Vega, and Rose Zerr.

Garden Club Member Pilgrimage Features Three Hondo Homes

One of the highlights of the Hondo Garden Club programs this year came Friday as members participated in a garden and house pilgrimage which included three settings.

First of these was at the home of Mrs. Bob Kollman where the patio and house had been set up for a breakfast. A table in the patio was set with places for two. An arrangement of daisies and another of dahlias were used out here and the family room made use of red flowers. Gladioli were used on a desk, red roses on an end table. The coffee table held a miniature red bird in a cage. A music box, which was brought to Hondo from Switzerland by Mrs. Ray Jennings, the bird actually sang at intervals. A mixed bouquet of spring flowers was used on the dining table.

A pink tea had been arranged by members of the garden club who assisted as hostesses at the home of Mrs. Sam Lanham. Pink canna's, pink caladium leaves and soto were used in an arrangement on the sideboard and a mixture of spring flowers highlighted by pink varieties was the feature of the dining table. Pink candles in silver holders and pink candy in a silver bowl completed the dining table picture. Pink oleander blossoms shaped into a hogarth curve in a tall white urn stood on an end table.

The home of Mrs. Paul Pope, who was chairman of the entire pilgrimage, was decorated for a child's party. White daisies in the hall and yellow daisy lilies on a table inside the entrance to the living room were used. A May Pole, which held gaily wrapped birthday packages at the ends of its streamers, was placed on a table at the front windows. An angel food cake had been fashioned into an elaborately decorated dress for a doll, which stood in the cake's center, was used on a Lazy Susan on the dining table. Birthday plates and favors were set around the table for six small guests. The mantle held additional favors at one end and a ceramic doll head vase containing small white daisies and hypericum blossoms for a hat, was placed on the opposite end.

On the lawn, green punch was served from a crystal punch bowl on a glass-top table. Mrs. E. L. Kelley, outgoing president, served. Assorted cookies were arranged on crystal plates on the table. White flowers were used in a vase under a tile-top table. A brief business session was held after which the new president, Mrs. R. W. Landers, was presented by Mrs. Kelley. Mrs. Landers announced committees for the coming year.

The question of whether or not to keep the Thrift Shop open during the summer months was discussed and it was voted to leave the decision up to the committee in charge. Mrs. Hugh Meyer is chairman.

The meeting was the last until next September when the new year begins, although the members are planning a trip to San Antonio on May 25 to visit the yard of Rudolf Riefkugel.

Club Hears Talk On Day Lilies

CASTROVILLE — The Castro Garden Club held its last meeting of the Club Year on Tuesday afternoon in the Vance House with 14 members, including a new member, Mrs. Lester Ljungdahl from the Essar Ranch, present.

Mrs. G. G. Gillette introduced the guest speaker for the day, Mrs. Miller, president of the Harlandale Garden Club, who spoke on day lilies. The botanical name "Hemerocallis" Mrs. Larry Miller explained is from the Greek and means "beauty for the day", an appropriate name, since the lily has only one day in which it is in full bloom. She displayed over 20 different varieties and has over 37 varieties in her yard.

The treasurer, Mrs. Tommy Hoog, reported that the Garden Club had netted \$264 sales at Cactus Corner during the past seven months.

The nominating committee chairman presented the following nominees: President, Mrs. E. J. Conrad; vice-president, Mrs. Charles Suehs, Jr.; secretary, Mrs. R. R. Eckhart; corresponding secretary, Mrs. Agnes Saunders; and treasurer, Mrs. Eugene Suehs. They were unanimously elected.

The members voted to close the Cactus Corner for the summer.

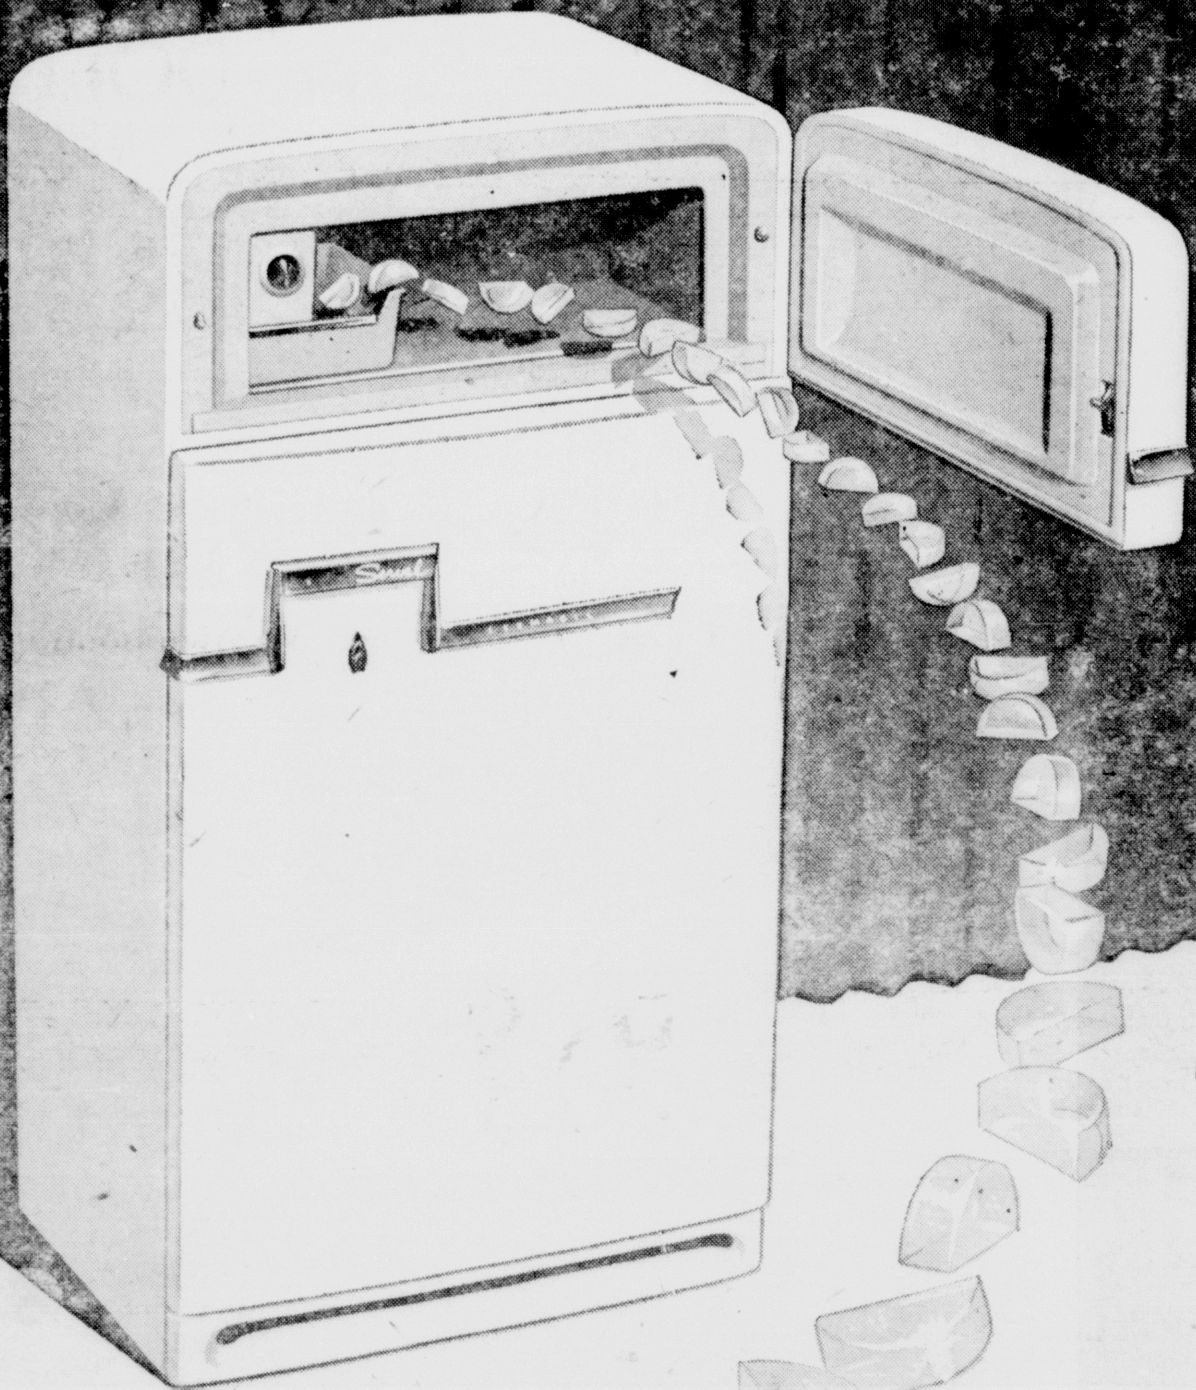

Miss Ruth Lawler reported that \$5 had been donated to the fund for permanent markers for the pioneer houses by Mrs. Peyton Dewey of Dallas who visited in Castroville last weekend.

HERE IN HONDO

Miss Grace Wootton of Junction spent the weekend with Mrs. Lee Maples and Cam.

M&M Tony Haass had M&M Walter Balzen, M&M Monroe Haass, M&M Benny De Joirno, Jr., M&M Johnny Walker and Sandy as their guests at a barbecued chicken dinner Sunday.

From where I sit... by Joe Marsh

Doc Nurses a Daydream

It's a treat when I get together with Doc Sherman. The Clarion keeps me much too busy—and Doc, well I think he puts in sixteen hours a day at the hospital.

But Tuesday—a beautiful day—he and I slipped away for a ride around Turtle Lake. Doc's driving a 1956 humdinger—it's like riding on a cloud.

Anyway, at one point Doc slowed almost to a halt. "Used to fish there as a boy, Joe," he said. "Used to sit and imagine myself up on the highway driving a high-powered car. Nowadays, I

just sit here and wish I were down there again."

From where I sit, few of us are ever content with the way things are at any given moment. It's human nature. On the other hand, I've been rooting for years that someday *everybody* will show enough good American tolerance to respect his neighbor's right to enjoy a friendly glass of beer. When that day comes I assure you that I'll never want to change back.

The meaningful emblem of Body by Fisher

When you see "sterling" on silver you know what it means—solid silver, all the way through.

And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the visible, gleaming surface.

The significance of this emblem cannot be tested on the showroom floor. Its meaning was not built up in a day but only after long years in which owners learned that "Body by Fisher" was a veritable symbol of solid, enduring satisfaction.

Only one who has owned a Chevrolet for several years can

fully know the deep sense of satisfaction this emblem pledges. It is the maker's warranty of an inner soundness that your eye or your touch cannot test. And only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

SPEAKING OF SPORTS

By Dr. John H. Jennings

Owls Win District

The Hondo Owls won their play-off game for the District Title against South San 6 to 2 last Tuesday in San Antonio and it was thanks again to reliable Billy Neuman's bat. Billy had put the Owls in the play-offs with a game winning single last Friday and in Tuesday's game he collected 3 of the Owls 5 hits—including a 2 RBI triple in the 1st inning. W. J. Schweers and Jerry Muenning got the other two Owls hits.

Richard Schulte did the mound chore for the Owls and scattered 7 hits very effectively. The Owls defense nearly got them in trouble in the 3rd as they committed 3 errors, but Richard got out with only one run scoring.

Play Crystal Bi-District

The Owls will play Crystal City in a best 2 of 3 series for Bi-District Championship. The 1st game will be in Crystal City this Friday at 8 p.m. and the next one in Hondo at 8 p.m. Monday, May 21, and if a 3rd game is necessary it will be held Thursday, May 24, at 8 p.m. Admission for the Bi-District games will be \$1 for adults and 25 cents for students. The play-off in baseball class "A" goes as far as regional.

Owls Pull One Out

The Hondo Owls, thanks to pinch hitter Gary Balzen and then Billy Neuman's game winning 2 RBI single, pulled a game with Edgewood out of the first last Friday afternoon in the final inning to come away with a 2 to 1 victory. The win gave the Owls a share of the District 27-A title. Hondo and South San wound up in a tie for first place—a flip of the coin decided the Hondo-South San one game play-off site.

It was a fine win for the Owls for they had to come from behind with their backs against the wall... for a failure to come thru would have ended their season.

The game was nip and tuck all the way. Edgewood managed only one scratch hit in the 2nd inning, which became their lone run. Hondo's Richard Schulte pitched himself a fine ball game—he allowed 1 fluke hit, walked 2 while his mates gave out 3 errors. The Edgewood run developed in the 2nd from a single, a bunt, a fielder's choice and then a walk by Schulte to let in the lone run.

The Owls managed 6 hits—two by reliable Billy Neuman and one each by Gary Balzen, Wayne Balzen, W. J. Schweers and Jug Wiemers.

Hondo was held scoreless till the final inning when things began to happen. Bull Balzen got on via an error; then pinch-hitter Gary Balzen, after missing a bunt effort that Bull stole 2nd on, worked things to a 3-2 count. Then he stepped into a pitch for a ringing single to left. Balzen stopped at 3rd. On the next pitch Gary stole 2nd—the next Owl fanned—but then with one out and men on 2nd and 3rd, Billy Neuman sent every one home as he laced the 1st pitch to right center field to give the Owls a share in the District Crown.

Last Week To Qualify

This Sunday, May 20th, marks the final date that golfers may shoot their 36 hole qualifying rounds for the Earl V. Reilly Invitation Tournament. This 36 hole score will bracket the golfers in flights—and then each flight will play 18 holes on May 20th and 18 on May 27th to decide the flight champions. A trophy and golfing merchandise will await the 1st and 2nd place winners of each flight. The entrance fee is \$3.

Golf Course Water

A development occurred last week that practically assures the HAB course of top drawer classification. The big task of a new course is keeping the greens and fairways well watered so that the grass will be in picture book shape. The Base Course will just about have that problem solved soon, as they have purchased about 2 miles of pipe—enough to go down each fairway! In a few months you can go out to the course and just go ooooo and ahhh over the looks and improvement of the place.

While talking of water, the local pro, Joe Mitchell, sorta watered down par last week as he established the HAB course record with a 30 and a 31 for a 61 total!

Junior High Tie

The Jr. Hi Owls and D'Hanis played to a 0-0 tie last Monday in a game called after 5 innings due to a time limit. Tall Charles Stiegler pitched very effectively for the Jr. Owls as he gave up only 2 blooper type hits. The Juniors got only 1 hit themselves—a well tagged double by George Brucks.

Hondo Hurricanes

The girls softball team, the Hurricanes, have a treat in store this Friday night at the HAB diamond as the 1956 edition plays a team of former Hurricanes. These former stars may make like a Hurricane too—with all the huffin' and puffin' they'll be doing after a few innings—plenty!

of linament will be uncorked Saturday.

W. E. Robinson and Joe Cunningham are the Hurricane Managers this year and they are beginning to make plans. The girls made these elections last week: Irene Braden (Hondo) and Mary Lois Langfeld (D'Hanis) Co-Captains, Barbara Brucks, Sec'y-Treas. and Barbara Braden, Reporter.

Hurricanes Top Poteet

The Hondo Hurricanes went to Poteet last Tuesday night and came home with a 13 to 7 win. The local gals gained base hits all over the place, reining a total of 24. The Langfeld sisters, Ann and Mary Lois, were extra hot as they got 4 hits apiece. Irene Braden and Carolyn Rhee got 3 hits each while Barbara Braden, Jo Tommerlin and Rose Zerr got 2 apiece. Mary Lois Langfeld did the Hondo mound work.

Braves Blow Another

The Hondo Braves are finding winning in Hwy 90 a most difficult task. D'Hanis took the Braves' scalp last Sunday 9 to 1 to run the Hondo record to 2 won and 5 lost. All this puts the locals in a pretty rocky spot—and should be a challenge for the returning college boys to lift the Braves back in contention for with 5 losses they cannot afford to lose over one more ballgame.

The game Sunday found Hondo's newest addition, Ep Finger, pitching against his former mates in a losing cause. Ep worked 7 innings, and outside of the first two innings where 5 and 2 runs were scored respectively—on less hits than runs—and some untimely fielding by his mates... he turned in a fine job.

Harland Wolff did the Pirates mound work and was most effective in holding the Braves to 1 run. Soooo, in the last two ball games the D'Hanis chunker and defense have allowed only 1 run! Almost unbelievable for Hwy 90 play.

Play Thursday Night

Though most readers will get this notice too late, the Saturday night game between HAB and Hondo has been moved to Thursday, May 17, at 8 p.m.

Our Hwy 90 standings last week had four teams tied for 1st, but we now understand LaCoste has lost but one game—therefore, they are alone at the top of the heap.

Indians Scalp Tigers

The Castro Indians defeated the Rio Media Tigers 13-5 Sunday.

The Indians took a two run lead in the first and were never behind.

A five run burst in the fourth on three hits, two walks and a Tiger error sewed up the game. The big blow in this inning was a long homer over the left field fence by W. Tschirhart.

R. Keller pitched steady ball for the Indians, going the route and scattering nine Tiger blows. Keller was robbed of a 400 foot home run over the deepest point of the center field fence in the second inning by an umpire's decision which ruled the ball bounced over.

Dr. John H. Jennings, chairman of the board of governors of the summer program, wanted to clarify this as there has been some misunderstanding that boys may not participate in both. But he wants to assure these youngsters that they are eligible and asks them to register with Bob Nations, who has been hired to run the summer program, and express their preference of activities.

Ball Boys Eligible For Summer Program

Boys playing in the Junior and Pony League will definitely be able to participate in the planned activity of the Summer Recreation Program also.

Dr. John H. Jennings, chairman of the board of governors of the summer program, wanted to clarify this as there has been some misunderstanding that boys may not participate in both. But he wants to assure these youngsters that they are eligible and asks them to register with Bob Nations, who has been hired to run the summer program, and express their preference of activities.

Winston Rozelle

Winston Rozelle, special representative with the Southwestern Bell Telephone Company's division sales organization in Austin for the past two years, has been promoted and appointed manager of the telephone company for Hondo.

The appointment was announced by C. C. Bradshaw, telephone company district manager.

The new position marks an important milestone in the career of Rozelle who started to work with the telephone company in August, 1947 as a clerk in the San Antonio office.

Rozelle held several other posts in San Antonio and was named communications engineer in Austin, October 11, 1954 and was promoted to special representative January 15, 1955, the job he held at the time of his latest assignment.

The new manager will make his headquarters in Crystal City. In his new post he will have charge of the commercial and business office organizations here and also at Bell exchanges at several other cities in this part of Texas.

Rozelle attended Thomas Jefferson High School in San Antonio. He is married and has two children.

Roselle succeeded Claude E. Lovett Jr. as manager. Lovett, who has held the post since 1953, has been promoted to the managership at Harlingen.

Dance Recital To Benefit Recreation

A recital to be presented Tuesday night, May 22, by the dance students of Mrs. Frank O'Neill of Pearsall will benefit the summer recreation program of Hondo. Curtain time is 7:30. Admission charge to the recital, which has as its theme "1956 Mardi-Gras Festival" will be 30 cents for adults and 15 cents for children—proceeds going to the newly organized vacation program.

Mrs. O'Neill's six classes of tap and ballet will each perform two or more numbers. Students range in age from 4 to 14 and their selections will include music a numbers of all types. Colorful costumes add to the production which will last about an hour.

Moye Graduation Set For May 20

CASTROVILLE — Edward Muir, of a San Antonio investment business, will be the guest of honor at the Military Graduation Ceremonies of Moye Military School on Sunday, May 20.

The Exhibition Drills of Companies A, B and C will commence at 9:30 a.m., followed by the graduation parade at 10:05 a.m. Mrs. Muir will be in charge of the Color Ceremony. At Moye's spectacular "Troop the Line" Mr. and Mrs. Muir will lead the parents of the graduates. Immediately after the parade, Mr. Muir will present the promotions, classroom awards and military medals to deserving cadets. The public is cordially invited to be present.

The annual Commencement Exercises will be held on Sunday, May 20 at 3 p.m. in the School Auditorium.

The Commencement Exercises of the Castroville High School will be held on Thursday evening, May 24, at 8 p.m. in the School Auditorium. Miss Anne E. Davis of Hondo will be the speaker.

PERSONAL APPEARANCE

O. C. BRISTOW, jolly barber at Leinweber Barber Shop, offered to give away a couple of dogs for free in a recent classified advertisement in the Anvil Herald. He got quick response from the ad as JUAN RENDON eagerly took both pups. The morning that particular issue of the paper was coming out, a small stray dog kept wandering into our office looking around. We couldn't help wondering if maybe that was one of the gift-to-be pups coming in to make sure that ad got in the paper.

We nominate as one of Hondo's finest do-it-yourselfers GEORGE M. DAWSON who has constructed a most attractive new sign for the front of his store. Painting or cutting out legible, handsome letters is a difficult job, but his sign looks as though a professional had made it. DAWSON, who frequently has small hand-painted signs in his store, has a complete wood-working shop in the basement of his establishment—a handy man with a saw as well as a progressive businessman.

MORGAN HUEGELE, first grade student in Castroville Public Schools was very happy to head back to school after a siege with measles. But when he returned and found that 22 of his classmates were out with mumps, he was ready to turn around and go home as a preventive measure.

According to one of our Castroville correspondents, MISS RUTH LAWLER, that community has been besieged with mumps, measles and some whooping cough this spring, which is hard on the mammas and hard on the A.D.A. (aver. daily attendance) at the school. It is the A.D.A. which determines how much money a school gets from state funds.

A most attractive duchess in the Uvalde Centennial Parade last Friday morning was Miss HELEN MURRELL, daughter of Mrs. A. A. MURRELL and the late A. A. MURRELL a former mayor of Castroville. She represented her home town riding in a yellow car decorated with red roses and with a large white swan on the hood.

Medina County may well feel proud of its beauties in the parade. SANDY MEYER represented Hondo. KAY TILLEY helped publicize Devine and JOAN RIEBER charmed for D'Hanis.

We doubt that any other county represented in the parade could compare with these duchesses.

At the First Baptist Church on Mother's Day, little CHERI SUE MOSELEY came up for special attention. Present with her were her parents, the TOM MOSELEYS, two grandmothers and grandfathers and two great-grandmothers!

The Bexar County Singing Convention group will be in attendance with following leaders: J. E. Harris, Charlie Scott, Hiram Davis, P. C. Collins and others. Other groups are expected from surrounding counties, including the Friendly Four quartet from Austin, Quartets from Corpus Christi and the Valley.

A cordial invitation is extended to the general public to attend and praise God in song and worship together. You will receive a most cordial welcome. COME—and bring a basket.

My Office Will Be Closed from MAY 26 Until October or November 1st

I will announce the opening date upon my return from Europe.

NATALIA F.F.A. HONOR DADS

NATALIA — F. F. A. boys had their dads as guests at the annual Father-Son Banquet Thursday night, May 10.

Following a barbecue supper guests heard about FFA accomplishments during the years and medals were awarded deserving boys. Joe Fraga and Gregorio Fraga received medals for carpentry, Allen Lee for welding, Dale Park for agricultural leadership, Claude Davis for dairyland farming, Richard Garcia as the outstanding senior student and Jimmy Putman for public speaking.

ON THE ANNUAL GRADUATION SPRINGBOARD in Medina County this year are 150 seniors who will now find work for themselves or further their education by attending a college or university. The congratulations and best wishes of all the county go with them as they make their way in the world. The classes include: Devine, 44 graduates; Hondo, 40; Castroville St. Louis School, 11; Castroville Rural High, 10; LaCoste, 19; Natalia, 15; D'Hanis, 9; and Yancey, 2.

FFA Going To Possum Kingdom

The Hondo FFA Boys voted Monday night for Possum Kingdom Lake as the place for their five day fishing trip planned for the week of June 4-8. A cook is to be hired to prepare the 11 meals to be eaten at the lake but boys will buy their meals while traveling to and from the lake.
Each boy will be required to place \$5 in a pool fund to buy food for these meals and three boys will help the cook in policing the area and serving the meal. The expense to each boy will be determined by how much he has to spend on "foolishness".
According to John Manely, FFA sponsor, approximately 25

FFA boys are planning to make the trip. McAnelly would like to have four or five adults go to help sponsor the group. Each boy will carry his own fishing equipment, bedding, dishes and swim suit. Another meeting will be held on May 30th to make final plans for travel and determine the amount of food that will be needed.
In the past 11 years the FFA chapter has held three other fishing trips. On one trip a 54 lb. catfish was caught at Devils Lake. On most of the trips, enough fish are caught to provide at least one fish fry.
Area Delegates
Five boys were selected as dele-

gates to the Area VII FFA convention to be held in San Marcos May 31 and June 1. Each chapter is allowed two voting delegates to select area officers, pick the Area FFA Sweetheart, select public speakers, and area winners in entertainment.
Clyde Bohmfalk, Chapter President and Revaldina FFA District President, will be a candidate for Area VII President for the coming school year.
The five boys selected as delegates were Johnny Meyer, Butch Smith, Bobby Moos, Charles Zuberbuehler, and Bernie Zerr. The Convention will be held on the SWTSTC Campus.
